- **Launceston, Tasmania**
- **Permanent full or part time**

Employment Type: Flexible work options with full and part time hours available
Remuneration: \$84,193 to \$110,000 (depending on experience) + Super + Packaging

About us

Independent Living Centre Tasmania (ILCT) is a state-wide allied health service which services the disability sector, Aged Care, Motor Accident and Insurance Board (MAIB) and private clients. ILCT is a registered NDIS provider with offices in Launceston and Hobart.

ILCT is a non-profit organisation. It embraces the diverse skills and perspectives that our staff bring to the workplace. We foster inclusiveness and diversity to help us deliver quality professional care to our Tasmanian community.

About the role

ILCT seeks the skills and expertise of a passionate Physiotherapist to join our Allied Health team. You'll have the opportunity to working with people with a range of disabilities, and chronic and acute conditions with a Senior Physiotherapist to support you in areas that may be new to you.

ILCT offers the following benefits:

- Flexible and supportive work environment
- As a non-profit organisation there is access to attractive salary packaging
- Up to \$15,900 in salary packaging including \$2,650 in meal and entertainment benefits.
- Professional and personal development opportunities.
- Regular clinical supervision provided.
- Opportunity for career progression and development of your skills in coaching, mentoring and leadership.
- Supportive multidisciplinary team
- Collaborate with an Allied Health Assistant for efficiency and support
- The opportunity to make a difference to the health and lives of Tasmanians!

Hours are negotiable to support your work/life balance.

As a state-wide service, a driver's licence is essential, plus you will have the opportunity to enjoy all the beautiful scenery that Tasmania has to offer. For inspiration check out <https://visitnortherntasmania.com.au/>

About you

Physiotherapists with an interest in home-based assessment and equipment prescription, falls prevention, reconditioning/exercise programming, manual handling training and injury prevention are encouraged to apply.
