

Exciting Opportunity for Recent Occupational Therapy Graduates!

Position: New Graduate Occupational Therapist

Type: Full-time and Part-time Positions Available

Are you a recent university graduate ready to kick-start your career? Are you eager to make a difference while enjoying a supportive and dynamic work environment? Join our team at Independent Living Centre Tasmania and embark on a fulfilling journey of growth and professional development.

Why Choose Us:

- **Flexible Work Options:** Balance your career and personal life with our flexible work arrangements.
- **Career Progression:** Experience opportunities for career growth within our organisation.
- **Supportive Team:** Join a fun and collaborative team that values problem-solving and variation in work.
- **Stunning Tasmania:** Immerse yourself in Tasmania's pristine environment and air, with the choice of being based in vibrant Launceston or picturesque Hobart.

About Us: Independent Living Centre Tasmania (ILCT) is a unique not-for-profit organisation dedicated to providing free information and advisory services about assistive technology, alongside fee-based Allied Health services. As a recent graduate, your journey will commence with involvement in our Information Service, where you'll assist individuals throughout the entire state in understanding assistive technology. With the accumulation of experience, you'll also have the opportunity to engage with various sectors of the community, spanning Aged Care, Disability (ILCT is a NDIS registered provider), the Motor Accident Insurance Board (MAIB) and private clientele. This progression will serve to continually elevate your set of skills.

What We Offer:

- **Professional Development:** Access structured career development and paid professional growth opportunities.
- **Work-Life Balance:** Enjoy flexible hours to maintain a healthy work-life balance.

- **Attractive Salary Package:** Benefit from salary packaging for up to \$15,900 in everyday expenses and up to \$2,650 in meals/holiday accommodation.
- **Supportive Team:** Collaborate with a multidisciplinary team and access regular clinical supervision.
- **Make a Difference:** Impact the health and lives of Tasmanians through your work.
- **Travel:** Based on your job location preference, work may take you to a variety of areas, including some of the islands located around Tasmania.

Requirements:

- **Recent Graduate:** Ideally suited to a recent or new Occupational Therapy graduate.
- **Energetic & Innovative:** Bring enthusiasm and innovation to your role, providing valuable information and advice to clients.
- **Effective Communicator:** Demonstrate strong verbal and written communication skills.
- **Team Player:** Work autonomously while fostering cooperative teamwork within a small group.
- **Drive to Learn:** Show initiative and a willingness to learn and develop in a fast-paced environment.
- **Essential Credentials:** Hold current registration with the Occupational Therapy Board of Australia via AHPRA, a valid Australian Driver Licence and computer literacy in clinical settings.
- **Positive Impact:** Share our commitment to person-centred service provision.

Location Options:

- **Hobart:** Experience the beauty and cultural vibrancy of a growing city without the hustle and bustle.
- **Launceston:** Embrace the flexibility of inner city, suburban or rural living, all within a short drive.

How to Apply: If this opportunity sparks your interest, reach out to Kate Frame (Allied Health Manager) on (03) 6335 9200 to learn more about the exciting possibilities. Alternatively, you can email your details to recruiting@ilct.com.au.

To apply officially, send your application, including your CV, to recruiting@ilct.com.au. This position is open to Australian citizens, permanent residents, and those legally able to work in Australia. A six-month probationary period applies.
