### **Remuneration:**

\$75,473 to \$115,573 + Super + Packaging (depending on level and experience)

### **About Us**

Independent Living Centre Tasmania (ILCT) is a state-wide Allied Health Service and has been in operation for 30 years+. We provide service provision to adults within the disability sector, Aged Care, Motor Accident and Insurance Board (MAIB), and private clients. ILCT is a registered NDIS provider with offices in Launceston and Hobart.

ILCT is a non-profit organisation. It embraces the diverse skills and perspectives that our staff bring to the workplace. We foster inclusiveness and diversity to help us deliver quality professional care to our Tasmanian community.

ILCT employs a range of Allied Health Professionals including Occupational Therapists, Speech Pathologists, Physiotherapists and Allied Health Assistants.

As part of a respectful, supportive and dedicated team, you'll be at the forefront of promoting inclusivity, independence and empowerment for those who need it most. ILCT is committed to providing innovative Allied Health Services, support and information to the Tasmanian community, which allows employees to be part of a

values-driven organisation with a strong focus on empowering and maximising a person's occupational performance to live fulfilling and independent lives.

## **The Opportunity**

We're on the lookout for OTs to join us full-time, part-time, or as subcontractors. Whether you're passionate about working with adults with the Disability Sector or within Aged Care, we have the caseload for you. Your role will be to deliver services to clients in their homes and local communities. Expect professional growth and collaboration with a team of supportive, experienced Allied Health Professionals. Work for an organisation that values client outcomes.

## **What You'll Be Doing**

Providing client driven, person-centred, evidence-based therapy services to clients in their home and community environments or via telehealth. Conducting comprehensive assessments to identify clients' needs and develop tailored intervention plans. Designing and implementing therapy plans to assist clients to reach their goals. Completion of relevant documentation including formal reports.

Depending on your interests, your caseload could include:

- Conducting OT Functional Assessments (including SIL, SDA, etc.)
- Home safety assessments
- Implementing Daily Living Skills training
- Assistive Technology prescription (simple and complex)
- Home Modifications (minor and complex)
- Outreach visits

## **What We're Looking For**

If you're a caring, dedicated OT who thrives in a collaborative and supportive environment, this role is for you! You'll have:

- A Bachelor's or Master's in Occupational Therapy
- Full AHPRA Registration or eligibility to become registered
- Minimum 2 years of practical experience in a community or disability setting (highly regarded)
- Knowledge of the NDIS framework and funding processes (preferred)
- Be able to deliver strong and effective communication skills and have exceptional inter-personal skills
- The ability to work in a multidisciplinary team environment and independently
- A current Police Clearance and NDIS Worker Screening Check or willingness to obtain
- A strong focus on time management and organisational skills to manage a diverse caseload
- Possess highly developed assessment, documentation and problem-solving skills
- A valid driver's licence

**ILCT offers the following benefits:**

- Flexible working hours, additional leave options, remuneration incentives and supportive work environment.
  - ILCT values their employees. We provide a respectful, collaborative, inclusive and nurturing workplace.
  - Supportive team with access to multidisciplinary skill sets. The team is experienced, collaborative and passionate about the work that we do!
  - Employees are empowered to tailor a caseload around their area of clinical interests within an adult cohort.
  - Opportunity for career progression and development of your skills in coaching, mentoring and leadership.
  - Access to external CPD and regular internal in-service program, including structured onboarding process.
  - Regular clinical supervision provided.
  - Opportunities for intrastate travel if desired as part of servicing rural and remote communities.
  - Relocation assistance for eligible candidates.
  - The opportunity to make a difference to the health and lives of Tasmanians!
- Hours are negotiable to allow for a work/life balance.

As a state-wide service, a driver's licence is essential, plus you will have the opportunity to enjoy all the beautiful scenery that Tasmania has to offer. For inspiration check out <https://visitnortherntasmania.com.au/>

To apply for these positions, you must be an Australian citizen or permanent resident or be able to legally live and work in Australia.

A probationary period of six (6) months applies to these roles.

All enquiries and applications should be sent to [recruiting@ilct.com.au](mailto:recruiting@ilct.com.au), not via Seek. For more information please call Kate Frame on [\(03\) 6335 9200](tel:0363359200)

New graduates are welcome to apply!

Applications close Friday 20th December 2024. Applications will be processed upon receipt and interviews may take place prior to the closing date.
